Recruitment and Selection Policy

1. Introduction

- 1.1 The aim of this Recruitment and Selection Policy and Procedure is to attract, select and retain staff who will successfully and positively contribute to the work and development of the Trust.
- 1.2 In addition, this policy and procedure aim to ensure that Steel River Academy Trust recruits and selects staff in a safe and fair manner at all times. Safeguarding and promoting the welfare of children and young people is an integral requirement in recruitment and selection processes and is an essential part of creating safe environments for children and young people.
- 1.3 It is also imperative that recruitment is planned and conducted with due regard to equality legislation and to ensure appointments are made on merit. However, recruitment processes will also be designed to attract suitable applicants within difficult labour markets, will consider the use of a wide range of attraction techniques and make appropriate use of the discretions within the Trust's Pay Policy.

2. Recruitment and selection policy statement

- 2.1 This Trust is committed to attracting selecting, vetting and retaining employees who will successfully and positively contribute to its schools and pupils ensuring that they achieve their full potential. A motivated and committed workforce with appropriate knowledge, skills, experience and ability to do the job is critical to the Trust's and school's performance and fundamental to the delivery of high quality educational services.
- 2.2 This policy seeks to ensure that the Trust demonstrates good practice regarding keeping children safe in education, with the aim of deterring and preventing people who are unsuitable to work with children from applying for or securing employment within the Trust. It will do this by basing its recruitment and selection procedures on the prevailing statutory guidance and good practice on safer recruitment and reviewing this practice as and when guidelines and practices change.
- 2.3 This Trust has adopted the following statement which details its safeguarding commitment and will be included in relevant recruitment documentation:

Steel River Academy Trust is committed to safeguarding and promoting the welfare of our pupils and young people. We have a robust Child Protection Policy and all staff will receive training relevant to their role at induction and throughout employment with the Trust. We expect all staff and volunteers to share this commitment. This post is subject to a satisfactory enhanced Disclosure and Barring Service criminal records check for work with children.

3. Scope

- 3.1 This policy will apply to the appointment of both permanent and temporary roles within the Trust, and sets out the standards and stages for all recruitment activities. The safer recruitment principles of the policy should also be applied to the appointment and vetting of volunteers to ensure they are in appropriate placements and are suitable to work with children.

- 3.2 The policy applies to all individuals involved in the recruitment process including members of Local Governing Bodies and the Trust Board. Those involved at each stage of the recruitment process will demonstrate a professional approach by dealing honestly, efficiently and fairly with all internal and external applicants in line with the principles of public life.
- 3.3 The Trust will ensure it complies with statutory and good practice guidance around recruitment including in the appointment of senior leadership roles, including Headteachers. This includes the requirement to undertake a range of statutory pre-employment vetting checks on all staff as required by the Education (Independent School Standards) Regulations 2014.
- 3.4 The Trust's decision and delegation arrangements for making appointment can be found in the scheme of delegation

4. Equal opportunities

- 4.1 This Trust is committed to providing equality of opportunity for all and ensuring that all stages of the recruitment and selection process are free from unlawful discrimination and bias. Recruitment and selection procedures may be monitored to ensure that applicants are not being discriminated against on the grounds of any protected characteristic; sex, race, disability age, religion or belief, sexual orientation, gender reassignment, marriage and civil partnership, pregnancy or maternity.
- 4.2 Applicants will be asked what adjustments they might require to participate in the recruitment process. The Trust will make every effort to make reasonable adjustments at each stage of the recruitment process.

5. Safer recruitment

- 5.1 Safeguarding and promoting the welfare of children and young people is an integral part of the recruitment and selection process. Through each stage of this process the Trust will seek to deter and reject those applicants whom it considers unsuitable to work with children and young people.
- 5.2 To this end the following measures will be taken through the recruitment process:
- Information on the Trust's commitment to safeguarding children will be included in the advert, job description, person specification and any other relevant documentation (see paragraph 2.3 above)
 - At least one member of every interview panel will have successfully completed the Safer Recruitment Training prior to the start of the recruitment process
 - Comprehensive information will be obtained from all applicants which will be scrutinised, investigating any discrepancies or anomalies, including gaps in employment and education
 - Shortlisted applicants will be asked to make a self-declaration of their criminal record or information that may make them unsuitable to work with children
 - Specific questions relating to the applicant's suitability and motivation to work with children will be asked of each candidate at interview and their suitability to work with children will be explored
 - Robust, relevant and appropriate references that fully cover the candidate's recent work history will be obtained, usually prior to interview

- Satisfactory statutory clearances will be obtained prior to the candidate commencing in post, except in exceptional circumstances and with an appropriate risk assessment

5.3 At all times the Trust will adhere to the legislative data protection requirements. All information gathered during the recruitment and selection process will be treated confidentially and handled and stored securely. Application and assessment data for unsuccessful applicants will be held for 6 months, or until any complaints arising from the process have been dealt with, and then confidentially destroyed. Any copies of identity or qualification information obtained through the interview process will be confidentially destroyed for unsuccessful candidates when an appointment decision has been made. Information collected in relation to successful applicants will be retained on their confidential employee files.

6. DBS Policy

6.1 The Trust has a policy on when it requests criminal conviction information and DBS disclosures and how it uses, stores, retains and destroys this information.

6.2 Applicants for roles with the Trust will only be asked to declare any relevant conviction information if they are selected for interview. For unsuccessful candidates, any information provided will be destroyed following the selection decision.

6.3 The Trust has adopted a policy on the Recruitment of Ex-Offenders which is available at appendix 3 of the Recruitment and Selection Procedure.

7. Individuals involved in the recruitment process

7.1 Where possible, the same individuals will be involved throughout the whole recruitment and selection process i.e. planning, shortlisting and interviewing.

7.2 The shortlisting and selection panel will consist of at least two members but will usually have more depending on the post being filled. The members of the panel will have the necessary authority to make decisions about appointments and be appropriately trained (see paragraph 5.2 above). Where possible, interview panels will be balanced in terms of the protected characteristics e.g. gender, age, ethnicity, etc.

7.3 Where a candidate is known to a member of the selection panel, either personally or professionally, it should be declared when shortlisting takes place. All applicants must be considered on merit and it is, therefore, important to ensure there is no conflict of interest or perception of unfair advantage for any particular applicant. Where a potential conflict of interest or previous association has been declared, consideration will be given to changing the selection panel or adding additional members.

Recruitment and Selection Procedure

1. Introduction

- 1.1 This procedure details the stages within the recruitment and selection process. The Trust recognises that fair and robust recruitment practices are critical in achieving successful recruitment outcomes. A summary of the stages within the recruitment and selection procedure, and the safer recruitment considerations at each stage, are detailed in appendix 1.
- 1.2 The Safer Recruitment Candidate Checklist at appendix 2 details the safeguarding issues which should be considered for each applicant.

2. Planning

- 2.1 Planning the recruitment and selection process is essential to maximise the opportunity for the Trust to attract applicants with the right skills, experience and values and minimise the risk of making unsuitable appointments.
- 2.2 Prior to taking the decision to advertise, the Trust will consider whether there is a need to replace the role on the same basis. The main options which can be considered are:
 - Replacement on a 'like for like' basis
 - Appointment of an apprentice
 - Redistribution of work to other existing employees. Where this option is considered there will be appropriate discussion and consultation with affected staff and the impact on pay and grading will be considered.
- 2.3 Changes to the staffing establishment will be agreed in line with the Trust's scheme of delegation, and implemented in a way which gives consideration to the health and wellbeing of those affected. The decision not to replace a role on the same basis may negate or reduce the need for future staffing reductions.
- 2.4 Once the decision to recruit has been made, a range of planning activities and decisions may be undertaken including agreeing those involved in the process, defining the job role and the selection criteria to be used, preparing recruitment documentation and setting the timetable for recruitment.

3. Job Description and Person Specification

- 3.1 The job description and person specification are essential tools and will be used throughout the recruitment and selection process.
- 3.2 A job description should be provided for all posts which set out the main duties and responsibilities of the post. The person specification will detail the skills, knowledge and experience required to do it. The job description and person specification will include the level of contact which the post has with children, criteria regarding the applicant's suitability to work with children and information on the Trust's commitment to safeguarding.

3.3 Whenever a new post is introduced, or an existing post amended, due consideration will be given to the job evaluation guidance within the 'Green Book' for non-teaching posts.

4. Attraction

4.1 As a minimum, all posts will be advertised internally in the school in which they arise, and externally where appropriate. Those on parental leave and long term sick leave should be made aware of how to access vacancies which arise during their absence, if appropriate. Where posts are advertised externally this may be on relevant websites and in relevant additional media as appropriate.

4.2 In exceptional circumstances, a post may not be advertised. This will usually only be for one of the following reasons:

- As a result of internal restructuring where an existing member of staff is at risk of redundancy
- Where it is necessary to redeploy an existing employee for health reasons where they are unable to continue in their substantive position
- Because a similar post has recently been advertised and an appointment can be made from the subsequent interviews (usually within 6 months of interview).
- Because a fixed term or temporary appointment needs to be made as soon as possible to ensure continuity within the post, such as covering a long-term period of sickness absence
- Where the opportunity is for a temporary responsibility (e.g. TLR) which an existing employee will undertake in addition to their substantive post
- As a result of redeployment from another school within the Trust

4.3 Where the need for a fixed term post or temporary responsibility becomes a permanent one, or a new role is similar in responsibility to an existing role, the Trust Board/Local Governing Body/Headteacher will consider whether it is appropriate for the post-holder to be offered the permanent contract or whether the post should be advertised. This will depend on the original reason for the post initially being fixed-term, any accrued employment rights, any subsequent changes in the needs of the school and Trust and the original recruitment process that was undertaken.

Adverts

4.4 The following minimum information will usually be included in adverts:

- Job title
- Salary – including pro-rata values if part-time or term-time only
- Hours of work and whether the role is full or part-time
- Proposed start date
- Whether the post is temporary or permanent
- Summary of the job role and minimum requirements
- How to access and return application forms
- Closing date for applications
- Information regarding the Trust's commitment to safeguarding and promoting the welfare of children
- The safeguarding responsibilities of the post

- That safeguarding checks will be undertaken for the successful candidate including obtaining a satisfactory enhanced DBS check for work with children
- Whether the post is exempt from the Rehabilitation of Offenders Act 1974 and the Exceptions Order 1975 as amended

4.5 Unless there are exceptional circumstances, vacancies will be advertised for at least one week, including one weekend, to give applicants sufficient time to apply.

Application Form

4.6 All applicants for posts advertised externally must complete the Trust's standard application form. CVs will not be accepted as an alternative to an application form and will not be used for short-listing when submitted with an application form. The use of standard application forms ensures that a common set of core data is obtained from all applicants.

4.7 The application form will:

- require applicants to provide:
 - their personal details, current and former names, current address and national insurance number
 - details of their present (or last) employment and reason for leaving
 - Full employment history since leaving school, including reasons for any gaps in employment
 - qualifications, the awarding body and date of award
 - details of referees, and
 - a statement of the applicants personal qualities and experience and how they meet the person specification
- include a statement that it is an offence to apply for the role if the applicant is barred from engaging in regulated activity with children

4.8 Where an application is submitted electronically, applicants will be asked to physically sign a hard copy of the application should they be invited to interview.

4.9 Where posts are only advertised internally, the Trust may use an alternative method of application e.g. expression of interest, letter of application.

Application Pack

4.10 For all posts advertised externally the Trust should produce an application pack which will be made available to all applicants. The Trust recognises that the pack is critical in persuading candidates to apply for the post and providing information regarding the vision and strategy of the Trust and the individual school.

4.11 The application pack will also include information regarding the Trust's commitment to safeguarding and that the successful candidate will be required to obtain a satisfactory enhanced DBS check. The Trust will include in the application pack either a copy of, or website link to, the Trust's child protection policy.

5. Shortlisting

- 5.1 Shortlisting will be undertaken by a minimum of two people, who will usually be those involved in the interview and selection processes.
- 5.2 Applications will be scrutinised carefully to ensure they are fully and properly completed. Particular attention will be paid to the reasons for leaving any previous childcare employment where the applicant no longer works with children. Incomplete applications may not be accepted and may be disregarded or returned to the candidate for completion.
- 5.3 Any gaps in employment and education will be identified and a written explanation obtained from the applicant, usually during the selection process, but as a minimum once a provisional offer of employment is made.
- 5.4 Candidates will be assessed equally against the job description and person specification according to the agreed criteria. Candidates who do not meet the essential requirements should not be shortlisted.
- 5.5 Where it is not possible to determine, from the application form, whether a candidate fully meets a criteria they may be progressed to the shortlist and further evidence will be sought through the selection process.
- 5.6 If, following assessment against the essential criteria, the short-list is too long, the desirable criteria may be used to reduce the shortlist to a manageable size. A written record will be kept of the shortlisting process.
- 5.7 Shortlisted candidates will be invited to attend the selection process. The interview notification should detail the relevant arrangements, the selection activities and who will be involved from the Trust.
- 5.8 At this point, candidates will be asked to complete a self-declaration of their criminal record or information that may make them unsuitable to work with children. Disclosure enables candidates to share relevant information and allows this to be discussed and considered at interview. This will include as applicable to the role:
 - If they have a criminal history
 - Whether they are included on the barred list
 - Whether they are prohibited from teaching
 - If they are known to the police and children's social care
 - Have they been disqualified from providing childcare
 - Information about any criminal offences committed in any country in line with the law as applicable in England and Wales
 - Any relevant overseas information
- 5.9 Candidates will only be asked to declare cautions and convictions which could appear on a DBS disclosure certificate and will not be required declare protected convictions and cautions which have been filtered.
- 5.10 Information disclosed during the self-declaration process may be discussed at interview. Where a shortlisted applicant discloses information which would make it unlawful for the school to employ that individual, the offer of interview may be withdrawn.

Where a self-declaration is submitted electronically, the applicant will be asked to physically sign it when they attend for interview.

- 5.11 The applicant will also be asked to bring relevant identity and qualification documentation to the interview to enable the Trust to undertake relevant vetting checks. The Trust will retain copies of any documents used to verify the candidate's identity and qualifications on their confidential personal file if they are appointed. For unsuccessful candidates, additional data collected at this stage will be confidentially destroyed when an appointment decision has been made.
- 5.12 Employment references for short-listed candidates will be requested prior to interview, where at all possible, so that they may be available should they contain any information which the selection panel wish to discuss with the candidate.
- 5.13 The Trust will seek to obtain a minimum of two written references and these will be requested on a standard reference pro forma, usually prior to interview. Referees should be able to comment on the applicant's suitability for the role being recruited to, including their suitability to work with children, and will be from the applicant's current or most recent employer.
- 5.14 Where the referee is school based, the request will ask that the reference is confirmed as accurate by the Headteacher/Principal in respect to disciplinary investigations.
- 5.15 Where an applicant previously worked in childcare employment but no longer does so, they will be required to provide a referee from that organisation.
- 5.16 Further information is available in the Trust's reference policy.

6. Assessment

- 6.1 As a minimum the selection process will be based on completion of an application form/expression of interest, shortlisting and face-to-face interview. The interview will assess the merits of each candidate against the agreed criteria based on the job description and person specification, and explore their suitability to work with children and young people.
- 6.2 Other selection methods may be used depending on the role that is being recruited. Any methods used must be relevant to the post being appointed to and free from unlawful discrimination. All interview and assessment events are a two way process: they are an opportunity for the panel to select the best candidate for the role, and also an opportunity for a candidate to determine whether the job and the school and Trust are right for them.
- 6.3 Prior to the interview the panel members should meet to:
 - Reach a consensus about the required standard for the job to which they are appointing
 - Consider the issues to be explored with each candidate, including any issues, inconsistencies or gaps identified from the application form, the references and the self-declaration forms, and who will ask about each of those
 - Agree their assessment criteria in accordance with the job description and person specification including the core questions which all candidates will be asked

- Agree the questions which will be asked regarding suitability and motivation to work with children, attitude towards safeguarding and what attracted them to the post

6.4 Individual candidates will be assessed against the agreed assessment criteria and these assessments recorded in writing.

6.5 The Trust will make reasonable adjustments for applicants, should they be required, in order to enable them to attend and participate fully with the selection and assessment process.

7. Selection

7.1 Once the formal assessment process is completed, all members of the selection panel will reach a final decision. The selection will be made on the basis of which individual best fits the criteria set at the start of the recruitment process, using the scores and results of any assessments. A written record of the selection decision will be made.

7.2 The Trust may choose not to appoint should none of the candidates meet the required standard.

7.3 All candidates who have attended the assessment process should be notified of the outcome of the process. Unsuccessful candidates will be offered feedback should they wish to receive this.

8. Conditional offer of employment

8.1 All offers of employment will be made on a conditional basis subject to:

- The receipt of at least two satisfactory written references
- A written record of the candidate's full educational and employment history included documented reasons for any gaps
- Verification of the candidate's identity, including checking the name on the birth certificate where this is available
- Verification of eligibility to work in the UK
- Verification of the candidate's mental and physical fitness to undertake the duties of the role, with reasonable adjustments if applicable
- Verification of educational and professional qualifications
- A satisfactory Enhanced Disclosure and Barring Service criminal record check for work with children, with Children's Barred List check if relevant
- Overseas criminal records check or certificate of good conduct (if applicable)
- (for teaching posts) Letter of professional standing from the relevant regulatory authority where the applicant has worked overseas as a teacher (if applicable)
- (for teaching posts) verification of successful completion of statutory induction period if relevant (applicable to those who obtained QTS after 7 May 1999)
- (for those undertaking teaching work) confirmation that the candidate is not subject to a prohibition order issued by the Secretary of State or has any current sanctions or restriction imposed
- Verification that the individual has not been disqualified from working with children under the Childcare Act 2006, if applicable
- Section 128 check for those taking up a management position

- 8.2 New employees will usually not commence until the satisfactory completion of pre-employment checks. A member of staff may only commence prior to the return of the DBS criminal records check with the express permission of the Headteacher and under a documented risk assessment which should be reviewed at least every two weeks. In such cases, a separate check will be made of the Children's Barred List prior to commencement.
- 8.3 If a DBS disclosure reveals information that a candidate has not disclosed in the course of the self-declaration process further discussion will be held with the candidate prior to an employment decision being reached. The Trust's policy on the Recruitment of Ex-Offenders policy is available at appendix 3.
- 8.4 All pre-employment vetting checks will be followed up where they are unsatisfactory or there are discrepancies in the information provided. In addition, they will be:
- Confirmed in writing
 - Retained on the personal file (subject to certain restrictions on the retention of information imposed by DBS regulations)
 - Recorded on the relevant Trust and/or school single central record

Policy Statement on the Recruitment of Ex-offenders

1. As an organisation assessing applicants' suitability for positions which are included in the Rehabilitation of Offenders Act 1974 (Exceptions) Order using criminal record checks processed through the Disclosure and Barring Service (DBS), this Trust complies fully with the DBS [code of practice](#) and undertakes to treat all applicants for positions fairly.
2. This Trust undertakes not to discriminate unfairly against any subject of a criminal record check on the basis of a conviction or other information revealed.
3. This Trust can only ask an individual to provide details of convictions and cautions that it is legally entitled to know about. Where a DBS certificate can legally be requested (where the position is one that is included in the Rehabilitation of Offenders Act 1974 (Exceptions) order 1975 as amended, and where appropriate Police Act Regulations as amended) this Trust can only ask an individual about convictions and cautions that are not protected.
4. This Trust is committed to the fair treatment of its staff and potential staff, regardless of race, gender, religion, sexual orientation, responsibilities for dependents, age, physical/mental disability or offending background.
5. This Trust has this written policy on the recruitment of ex-offenders, which is made available to all DBS applicants at the start of the recruitment process.
6. This Trust actively promotes equality of opportunity for all with the right mix of talent, skills and potential and welcome applications from a wide range of candidates, including those with criminal records. Candidates are selected for interview based on their skills, qualifications and experience and criminal record information is only requested from short-listed candidates.
7. A disclosure is only requested from the DBS after a thorough risk assessment has indicated that one is both proportionate and relevant to the position concerned. For those positions where a criminal record check is identified as necessary, all application forms, job adverts and recruitment briefs will contain a statement that a DBS certificate will be requested in the event of the individual being offered the position.
8. This Trust ensures that all those who are involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstances of offences.
9. This Trust also ensures that they have received appropriate guidance and training in the relevant legislation relating to the employment of ex-offenders, e.g. the Rehabilitation of Offenders Act 1974.
10. At interview, or in a separate discussion, this Trust ensures that an open and measured discussion takes place on the subject of any offences or other matter that might be

relevant to the position. Failure to reveal information that is directly relevant to the position sought could lead to withdrawal of an offer of employment.

11. This Trust makes every subject of a criminal record check submitted to DBS aware of the existence of the [code of practice](#) and makes a copy available on request.
12. This Trust undertakes to discuss any matter revealed on a DBS certificate with the individual seeking the position before withdrawing a conditional offer of employment.
